

1. INTRODUCTION

- (a) These General Terms and Conditions (“**Terms**”) shall apply to any and all agreements for delivery of goods to ASSA ABLOY AB and any of its subsidiaries (“**ASSA ABLOY Group**”) unless otherwise explicitly agreed in writing between the parties. A subsidiary shall mean any entity controlled or owned, directly or indirectly, from time to time by ASSA ABLOY AB.
- (b) Terms used, but not otherwise defined, in these Terms shall have the meaning given to those terms elsewhere in this Purchase Agreement.

2. DELIVERY AND PASSING OF TITLE

- (a) The Supplier shall deliver the Products FCA Incoterms 2020 if not otherwise agreed in the Order (the “**Delivery Terms**”). Timely delivery shall be of the essence for each Order.
- (b) Title in, and risk of loss or damage to a Product, shall pass to the Purchaser in accordance with the Delivery Terms. The Products shall be appropriately packed in accordance with the Purchaser’s instructions.
- (c) If the Supplier fails to meet a confirmed delivery date, the Purchaser may, at its sole discretion and without prejudice to any other remedies; (i) request that the Supplier expedite the delivery per the Purchaser’s instruction at no charge; and/or (ii) cancel the undelivered portion of such Order at no charge; and/or (iii) terminate this Purchase Agreement in accordance with Section 14(b)(iii). Furthermore, the Supplier shall be liable to pay liquidated damages to the Purchaser at the rate of five (5) % of the Order value for each commenced week of delay subject to a maximum aggregate equal to fifty (50) % of the Order value. Payment of the liquidated damages shall be made upon demand of the Purchaser or, at the Purchaser’s option, through set-off against amounts subsequently invoiced by the Supplier. The parties intend that liquidated damages constitute compensation, and not a penalty. The parties acknowledge and agree that the Purchaser’s harm caused by Supplier’s failure to meet a confirmed delivery date would be impossible or very difficult to accurately estimate at the time of contract, and that the liquidated damages are a reasonable estimate of the anticipated or actual harm that might arise from such a failure. The Supplier’s payment of the liquidated damages is the Supplier’s sole

liability and entire obligation and the Purchaser’s exclusive remedy for such delay.

3. FORECASTS

- (a) The Purchaser may provide the Supplier with order forecasts setting out the Purchaser’s need of Products during the time period set forth in this Purchase Agreement (the “**Order Forecast**”). The Supplier shall use its best efforts to maintain sufficient manufacturing capacity and stock of the Products to meet the requirements set out in the Order Forecast.
- (b) Order Forecasts shall not be binding on the Purchaser or give rise to any liability or obligation of the Purchaser to place any Orders for any Products, nor form any commitment to purchase a specific volume of the Products, or any part or material used to manufacture the Products. In addition, no Order Forecast shall give rise to any liability for the Purchaser due to the Supplier’s cost for stocking, etc.

4. PURCHASE PRICE AND INVOICING

- (a) The Purchaser shall pay the applicable purchase price for each Product as set forth in this Purchase Agreement or Exhibit 1 (*Price and Products*) attached thereto. The purchase price shall be paid, in the currency stated in this Purchase Agreement, within ninety (90) days from the date of an invoice unless otherwise agreed, subject to correct and complete invoice documentation. Payment of an invoice shall not constitute acceptance of Products.
- (b) The Supplier shall issue and date invoices upon each shipment of Products. All invoices shall refer to the relevant Order and include such information as is required by the Purchaser or otherwise required by law.
- (c) The prices in Exhibit 1 (*Price and Products*) shall be fixed during twelve (12) months from the date of this Purchase Agreement unless otherwise agreed in writing. The Lead Purchaser and the Supplier shall in good faith review and agree on the applicable purchase price to apply after the expiration of the twelve (12) month period. The Supplier shall use open book calculation for this purpose. However, if the Lead Purchaser and the Supplier cannot agree on the new purchase price before the end of the twelve (12) month period, this Purchase Agreement may be terminated in writing by either the Lead Purchaser or the Supplier by giving six (6) months’ written notice to the other

party. During the six (6) months' notice period the then current purchase price shall continue to apply.

- (d) The Supplier and the Purchaser shall work together to achieve significant reductions in total costs. The Supplier commits to a reduction of minimum five (5) % of the Purchaser's total spend per annum with respect to the Products delivered to the Purchaser. Performance against the five (5) % goal shall be tracked by the Supplier and reviewed by the Purchaser's category manager and/or the site management of the Purchaser on a regular basis.

5. INTELLECTUAL AND INDUSTRIAL PROPERTY RIGHTS

- (a) Except to the extent expressly provided herein, each party shall continue to own its intellectual and industrial property rights without conferring any interests therein on the other party and neither the Supplier nor any third party shall acquire any right, title or interest in any intellectual or industrial property rights of any company within the ASSA ABLOY Group.
- (b) Regardless of the above, all intellectual property rights with regard to and for the Products, including but not limited to, drawings, designs, models, calculations, tools etc. that are provided by the Purchaser or are created by the Supplier in connection with this Purchase Agreement, shall vest in and exclusively belong to the Purchaser. The Supplier shall, where necessary, take all actions required to ensure that Purchaser receives the rights referred to herein.
- (c) To the extent that the Products may be protected by intellectual property rights owned by the Supplier, or the Supplier's licensors, the Supplier hereby grants to the Purchaser, a perpetual, worldwide, non-exclusive, irrevocable, fully paid-up, royalty-free license, including the right to grant sub-licenses, under all such intellectual property rights to: (i) use the Products; (ii) integrate the Products into Purchaser's own Products; (iii) sell, offer for sale, import and export the Products.
- (d) Without limiting the generality of Section 5(a) and except as may otherwise be expressly provided for herein, the Supplier agrees that it shall not without the prior written consent of the Lead Purchaser use the trademark "ASSA ABLOY" or any other trademark of any company within the ASSA ABLOY Group for any purposes whatsoever.

- (e) To the extent the Products include software ("Software"), the Supplier hereby grants to the Purchaser in perpetuity (or for the maximum period foreseen by applicable law) a non-exclusive, royalty-free, worldwide, unlimited (also with respect to number of users) licence over the Software including without limitation any permanent or temporary reproduction or modification of the Software reasonably required for these purposes, at a charge included in the price of the Products for the purposes of installing, testing, configuring, putting into service, operating, using, developing, modifying, selling, maintaining, adjusting and repairing the Products. The Purchaser shall be permitted to create a reasonable quantity of back-up copies of the Software.

- (f) For at least the period under this Purchase Agreement during which the Supplier has agreed to supply spare parts for the Products, the Supplier shall continue to maintain the Software and offer licences to the Software, in the same format and version as made available hereunder, to the Purchaser. During the same period of time, the Supplier will also free of charge offer to the Purchaser all updates offered to its other clients for the Products, including without limitation any related support, maintenance or consultancy services provided free of charge to such other clients. It is acknowledged that the Purchaser may accept or refuse the offer of such updates at its sole discretion without limiting any right or remedy available hereunder.

6. PURCHASERS' GOODS, TOOLS AND DESIGN

- (a) All goods, tools and designs or any other property supplied by the Purchaser to the Supplier (the "Purchaser Property") at the sole cost of the Purchaser, will be and remain the property of the Purchaser and shall be returned to the Purchaser upon request. The Supplier may not make use of the Purchaser Property for any purpose other than for fulfilling its obligations under this Purchase Agreement.
- (b) The Supplier will, at no extra cost for the Purchaser, store and maintain all Purchaser Property in good order and condition, upgrade the Purchaser Property (as required) and insure the Purchaser Property on commercially reasonable terms while in the Supplier's care.
- (c) The Supplier shall keep the Purchaser Property clearly separated from its own property and the Purchaser Property shall be marked as property of the Purchaser.

If replacement Products are not provided and/or an acceptable plan to resolve an Epidemic Failure is not provided to the Purchaser within thirty (30) days after it is reported, or such additional period as may be permitted by the Purchaser in its discretion depending on the nature of the Epidemic Failure, the Purchaser may terminate this Purchase Agreement without any liability to the Supplier for such termination.
