

The Board of Directors' proposal regarding authorization to repurchase and transfer Series B shares in the company

The Board of Directors proposes that the Annual General Meeting authorizes the Board of Directors to pass a resolution, on one or more occasions for the period up until the next Annual General Meeting, on repurchasing Series B shares in the company in accordance with the following.

- The repurchase may as a maximum comprise so many Series B shares that the company after each repurchase holds a maximum of 10 percent of the total number of shares in the company.
- The repurchase of Series B shares shall take place on Nasdaq Stockholm.
- The repurchase of Series B shares on Nasdaq Stockholm may only occur at a price within the share price interval registered at that time, where share price interval means the difference between the highest buying price and the lowest selling price.
- Payment of the Series B shares shall be made in cash.

Furthermore, the Board of Directors proposes that the Annual General Meeting authorizes the Board of Directors to pass a resolution, on one or more occasions for the period up until the next Annual General Meeting, on transferring Series B shares in the company in accordance with the following.

- The maximum number of Series B shares to be transferred may not exceed the number of shares held by the company at the time of the Board of Directors resolution.
- Transfers of Series B shares shall take place:
 - (i) on Nasdaq Stockholm, or
 - (ii) in connection with acquisition of companies or businesses, on market terms.
- Transfers of Series B shares on Nasdaq Stockholm may only occur at a price within the share price interval registered at that time, where share price interval means the difference between the highest buying price and the lowest selling price.
- The authorization includes the right to resolve on deviation of the preferential rights of shareholders and that payment may be made in other forms than cash.

The purpose of the authorizations is to make possible the ability for the Board of Directors to continuously adapt the company's capital structure and thereby contribute to increased shareholder value, to be able to exploit attractive acquisition opportunities by fully or partly financing future acquisitions with the company's own shares, and to ensure the company's undertakings, including social security costs, in accordance with the Board of Directors' proposal for a long-term incentive program under Item 17.

The Board of Directors has presented a motivated statement pursuant to Chapter 19, Section 22 of the Swedish Companies Act, the statement is available at the company and on the company's website www.assaabloy.com.

The proposal in this Item 16 requires an approval of shareholders representing at least two-thirds of both the votes cast and the shares represented at the Annual General Meeting to be valid.
