ENHANCEDECORATIVE

Raised rounded edge products, designed to give a contemporary look. Features five plate finishes to suit all styles.

ENHANCEWHITE

A range of white plastic wiring accessories to complement our existing Enhance products, allowing you to buy everything in one place.

ENHANCE DECORATIVE

AVAILABLE FINISHES:

- Satin Stainless Steel
- Polished Chrome
- Black Nickel
- Matt Black
- Antique Brass

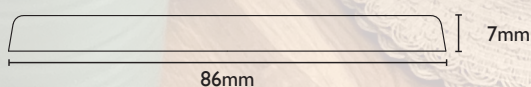

FEATURES:

- Conforms to British testing standards
- 25 year guarantee
- Next day delivery as standard
- Grid plate options 1,2,3,4,6,8,9 and 12 gang (please see page 52)

TECHNICAL:

- Matching rockers as standard
- Clip in grid and modular available
- Trim colour options

Match Eurolite
wiring accessories
to home decor.

Follow our sustainability journey

In recent months, we've started working on the following initiatives:

Launching a packaging project to eliminate plastic, improve recyclability, and reduce packaging sizes. In turn reducing the number of containers we ship.

We have installed on-site charging points for electric vehicles.

We have switched to North West Recycling and we are diverting the majority of our waste from landfill.

We have switched carriers to DPD, who are committed to rolling out all-electric delivery vehicles in 30 UK cities by the end of 2023.

Optimising our website performance to reduce the amount of CO2 emissions per-click.

We have joined Planet Mark. Certification is only the very beginning of our journey. Planet Mark is a sustainability certification that verifies and measures carbon and social data to reduce emissions and achieve the UN Sustainable Development Goals.

carlislebrass.com/sustainability

ENHANCE

We've improved
our packaging
with 30%
recycled plastic!

ENHANCE WHITE GRIDS

AVAILABLE FINISHES:

- White Plastic

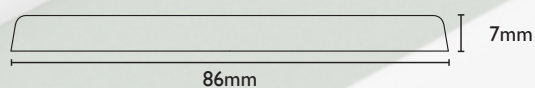

FEATURES:

- Conforms to British testing standards
- 25 year guarantee
- Next day delivery as standard
- Grid plate options 1 - 8 gang

TECHNICAL:

- Matching wiring accessories available
- Personalise the grid to match your requirements

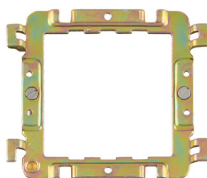

PROFILE:

UTILITYMETAL CLAD

A heavy duty range of switches and sockets which are ideal for use on commercial and residential properties. It's tough durable finish is resistant to premature ageing, discolouration and corrosion.

UTILITYWEATHERPROOF

With features such as IP66 rated level of protection, socket enclosures featuring hinged and lockable covers, plus multiple knock outs for easy entry points.

UTILITYFLOOR SOCKETS

13A unswitched floor socket with a spring loaded cover ideal for hotels and offices.

UTILITYMETAL CLAD

AVAILABLE FINISHES:

- Metal Clad

FEATURES:

- Complete with back box
- Multiple Knock out points
- Highly durable

TECHNICAL:

- Conforms to British testing standards
- 25 year guarantee
- Next day delivery as standard

UTILITYRANGE

Follow our sustainability journey

The paper used to create this catalogue is both FSC[®] certified and Carbon Balanced (WLT - World Land Trust accredited). Sterling are a ISO 14001 accredited company who use 100% vegetable based inks.

Re-using heat generated by the presses to heat the factory during winter

Reduction of chemicals and water used on all presses

Solar panels on the factory roof that save electricity and regenerate power

sterling[®]
