## 2. Product description and its intended use(s)

Velocity® Series Door Handles offer homeowners and builders a contemporary collection of levers on rose for use within a residential environment. Designed in Australia, the Velocity series encompasses the robust design and product quality that has become synonymous with Lockwood. An attractive yet unobtrusive rose design complemented with four modern lever designs. The Velocity Series captures the aesthetic tone of the residential market providing style whilst maintaining utilitarian desire.

With a design that transcends the basic functional and aesthetic requirements of residential hardware, the Velocity series sets a new benchmark in ease of installation. The Velocity Series includes passage sets for connecting doors, privacy sets for bathroom and toilet doors and dummy half sets for use on cupboard and wardrobe doors where a consistent styling is desired.

### Features of the Velocity Series Door Furniture

- All fixings are concealed beneath a removable rose trim providing a crisp and clean presentation desired by the discerning homeowner.
- Simple twist and tighten fixing method and lever set pre-assembly allows for super easy and super-fast installation.
- Available in a choice of lever designs and two finishes
- The rose fits 50mm or 54mm diameter holes making it suitable for retrofit and common door preparations.
