

Yale

# Maximum Security Motorised Safe Range

At Yale, we pride ourselves in protecting the things that matter the most to you. The Maximum Security Motorised Safes will keep your most important belongings secure and safe with additional anti-drill plate in key areas and laser cut door for maximum security against all attacks.

You can gain quick access with PIN code and scare away any unwanted visitors with lockdown for one minute after 3 incorrect attempts. The range has also been Sold Secure Silver Approved to provide the best in security.

The internal light gives you clear visibility of your valuables and the internal hooks making it convenient for you to keep your things organised and clearly displayed.

Whether it's important documents or a sentimental belonging, we have the right safe to suit your needs.

**You Value it, We Protect it.**
